

REGISTER & GET CREATIVE
**Saffron School Science
Competition 2016**

Proudly Sponsored by:

Welcome to the Saffron School Science Competition 2016, where in just 3 easy steps you could win your school a trip to the Saffron Science Programme in Belgium!

Saffron's Science Programme was Ireland's first all-inclusive school tour and offers:

- The **ONLY** astronaut programme available for schools in Europe
- Explore the world of astronauts with a simulated Moon Walk
- Experience the thrill of a NASA Shuttle Simulator and build and launch micro rockets
- Learn about Life in Space, International Space Station and conduct experiments in the Space Shuttle Cargo Bay

Prizes:

The prize is a Saffron travel experience for 20 pupils to the Saffron Science Programme in Belgium.

Competition is open to all 2nd year students (2016/2017)

How to Enter:

1. Register & Get Creative

Your school may already have received an invitation to enter the Saffron Schools Science Competition 2015 in the post. If not, you can easily download a registration form from www.competition.saffrontravel.org. Simply print it off and return the completed registration form to the address below to arrive no later than 28th October 2016.

You will receive a special Entry Pack in the post containing full details of how to enter, terms and conditions, plus some hints and tips on research you can carry out to inspire your entry. You will also receive a special USB stick for saving your entry.

2. Film Your 3 Minute Video Entry:

Create and film your 3 minute video around the question "How can science and technology make managing transportation safer?" Be as imaginative and creative as you can to interpret the topic in your own unique way.

3. Pop Your USB in the Post.

Send your USB by recorded post along with your entry form to: Saffron Schools Science Competition, 97 Rathmount, Blackrock, Dundalk Co. Louth, to arrive no later than 28th October 2016.

Projects must be submitted on the eFlow Saffron USB stick provided and sent by registered mail. All other entries will be deemed ineligible.

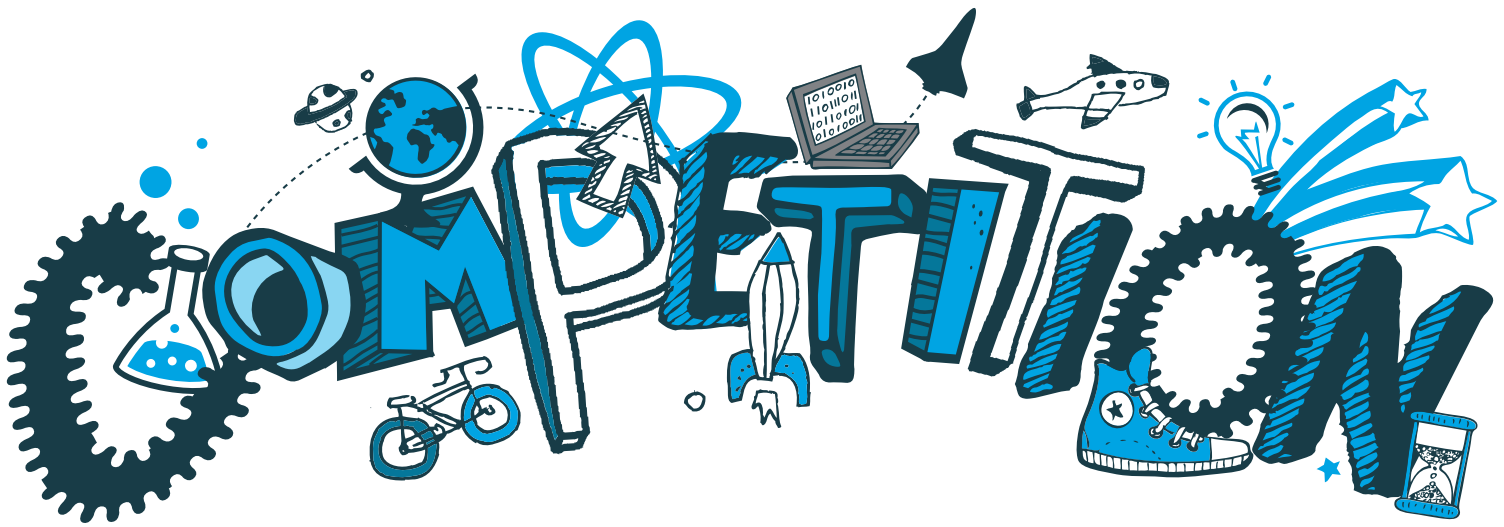

To Register..

Simply complete the form that follows and return to:

Saffron Schools Science Competition,
97 Rathmount, Blackrock, Dundalk, Co. Louth

to arrive no later than 28th October 2016.
