Saffron School Science Competition 2017/18

Proudly Sponsored by:

Welcome to the **Saffron School Science Competition 2017/18**, where in just 3 easy steps you could win your school a trip to the European Space Centre!

Saffron's Science Programme was Ireland's first all-inclusive school tour and offers:

- The **ONLY** astronaut programme available for schools in Europe
- Explore the world of astronauts with a simulated Moon Walk
- Experience the thrill of a NASA Shuttle Simulator and build and launch micro rockets
- Learn about Life in Space, International Space Station and conduct experiments in the Space Shuttle Cargo Bay

Prizes:

The prize is a Saffron travel experience for your class to visit the the European Space Centre, on an All Inclusive 3 Day Programme WORTH €20,000!

Competition open to students aged 15 years and under on 1st September 2017.

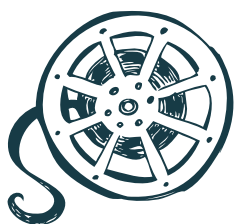

How to Enter:

1. Register & Get Creative

Your school may already have received an invitation to enter the Saffron Schools Science Competition in the post. If not, you can easily download a registration form from www.saffrontravel.org/competition. Simply print it off and return the completed registration form to the address below to arrive no later than **30th September 2017**.

All Registrants will then receive a set of instructions, some research to assist with their entry and a link to a Dropbox folder to upload their entry when complete. All entries must be uploaded before close of business on Friday 27th October 2017 to be considered by the judges.

2. Film Your 3 Minute Video Entry:

Create and film your 3 minute video around the question **"What will be the most popular mode of transport in 2040 and how will it work?"**

Be as imaginative and creative as you can to interpret the topic in your own unique way.

3. Upload Your Entry:

Each school that registers before 30th September 2017 will receive a link to folder to upload their video entry to.

Your video entry must have finished uploading on/before the deadline which is 27th October 2017.

To Register..

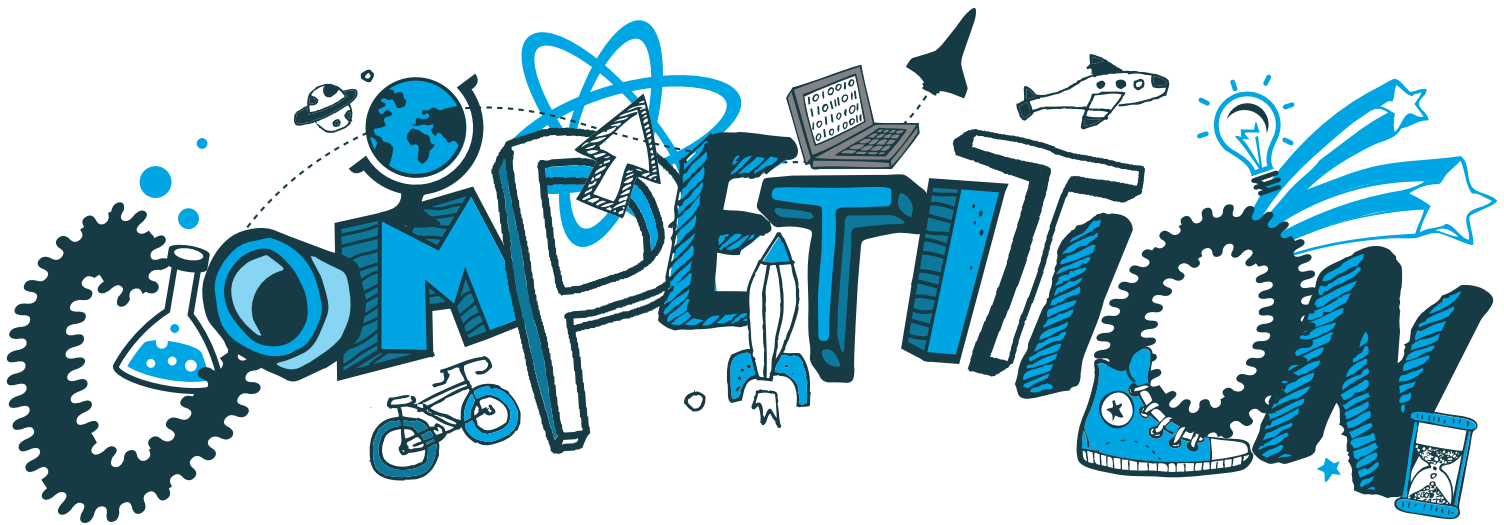

Simply complete the form that follows and return to:

Saffron Schools Science Competition,
97 Rathmount, Blackrock, Dundalk, Co. Louth

to arrive no later than 30th September 2017.
